Independent Auditor's Report

To the Members of Aadhar Housing Finance Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **Aadhar Housing Finance Limited** ('the Company'), which comprise the Balance Sheet as at **31 March 2024**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matter described below to be the key audit matters to be communicated in our report.

Impairment of financial assets based on Expected Credit Losses (ECL) - (Refer note 2.9 and 3 for material accounting policy information and notes 6, 27, and 37 for financial disclosures in the accompanying standalone financial statements)

At 31 March 2024, the Company reported total gross loans of ₹ 17,11,115 lakh (2023: ₹ 14,03,755 lakh) and expected credit loss provisions of ₹ 20,821 lakh (2023: ₹ 18,610 lakh).

Key audit matter	How our audit addressed the key audit matter
Ind AS 109, Financial Instruments (Ind AS 109) requires the Company to provide for impairment of its financial assets using the expected credit loss ('ECL') approach involving an estimation of probability of loss on such financial assets, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions which could impact the credit quality of the Company's financial assets. Expected credit loss cannot be measured precisely but can only be estimated through use of statistics. The estimation of impairment loss allowance on financial instruments involves significant judgement and estimates and applying appropriate measurement principles, including additional considerations on account of Reserve Bank of India guidelines in relation to COVID-19 regulatory package and restructuring.	Our audit focused on assessing the appropriateness of management's judgment and estimates used in the expected credit losses through the following procedures, but were not limited to, the following procedures: - Examined the Board Policy approving methodologies for computation of ECL that addresses policies and procedures for assessing and measuring credit risk on the lending exposures of the Company in accordance with the requirements of Ind AS 109. The parameters and assumptions used and their rationale have been documented. - Evaluated the design and operating effectiveness of controls across the processes relevant to ECL, including the judgements and estimates. These controls, among others, included controls over the allocation of assets into stages including management's monitoring of stage effectiveness, model monitoring including the need for post model adjustments, and completeness of the underlying data used in the models, credit monitoring, passing of journal entries and preparing disclosures.

Key audit matter	How our audit addressed the key audit matter
The expected credit loss is calculated using the percentage of probability of default (PD), loss given default (LGD) and exposure at default (EAD) for each of the stages of loan portfolio. Additional management overlay is estimated considering non-prediction and long-term future impact. The PD and the LGD are the key drivers of estimation complexity in the ECL and as a result are considered the most significant judgmental aspect of the Company's modelling approach. The Expected Credit Loss ("ECL") is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. Significant management judgment and assumptions involved in measuring ECL is required with respect to: • determining the criteria for a significant increase in credit risk • factoring in future economic assumptions • past experience and forecast data on customer behaviour on repayments • techniques used to determine probability of default, loss given default and exposure at default. Adjustments to the model-driven ECL results as overlays are recorded by management to address known impairment model limitations or emerging trends as well as risks not captured by models. Considering the significance of the above matter to the financial statements and since the matter required our significant attention to test the calculation of expected credit losses, we have identified this as a key audit matter for current year audit.	- Tested the completeness of loans and advances included in the Expected Credit Loss calculations as of 31 March 2024 by reconciling it with the balances as per loan balance register. We tested the data used in the PD and LGD model for ECL calculation by reconciling it to the source system. We tested assets in stage 1, 2 and 3 on sample basis to verify that they were allocated to the appropriate stage. - Tested the appropriateness of determining Exposure at Default (EAD), PD and LGD, on sample basis. For exposure determined to be individually impaired, we tested samples of loans and advances and examined management's estimate of future cash flows, assessed their reasonableness and checked the resultant provision calculations. - Obtained an understanding of the modelling techniques adopted by the Company including the key inputs and assumptions. Test of details on post model adjustments, considering the size and complexity of management overlays, in order to assess the reasonableness of adjustments by challenging key assumptions, adjustments by challenging key assumptions, inspecting the calculation methodology. - On a test check basis, ensured compliance with RBI Master Circular on 'Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to advances' ('IRACP') read with RBI circular on 'Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications' dated 12 November 2021, in relation to identification, upgradation and provisioning of non-performing assets (NPAs) and ensured that the Company has considered NPAs as credit impaired loans. - Assessed the appropriateness and adequacy of the related presentation and disclosures in the accompanying financial statements in accordance with the applicable accounting standards and related RBI circulars and Resolution Framework.

Information Technology ("IT") Systems and Controls for the financial reporting process

Key Audit Matter	How our audit addressed the key audit matter
The Company is highly dependent on its information technology (IT) systems for carrying on its operations which require large volume of transactions to be processed in numerous locations on a daily basis. As a result, there is a high degree of reliance and dependency on such IT systems for the financial reporting process of the Company. Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.	Our key audit procedures with the involvement of our IT specialists included, but were not limited to, the following: • Obtained an understanding of the Company's IT related control environment and conducted risk assessment and identified IT applications, data bases and operating systems that are relevant to our audit. • Tested the design and operating effectiveness of the Company's IT controls over the IT applications as identified above; • On such in-scope IT systems, we have tested key IT general controls with respect to the following domains: a. Program change management which includes controls on moving program changes to production environment as per defined procedures and relevant segregation of environments; and b. User access management which includes user access provisioning, de-provisioning, access review, password management, sensitive access rights and segregation of duties.

Key Audit Matter	How our audit addressed the key audit matter
The accuracy and reliability of the financial reporting process depends on the IT systems and the related control environment, including: ➢ IT general controls over user access management and change management across applications, networks, database, and operating systems and; ➢ IT application controls. Due to the importance of the IT systems and related control environment on the Company's financial reporting process, we have identified testing of such IT systems and related control environment as a key audit matter for the current year audit.	• We also evaluated the design and tested the operating effectiveness of key automated controls within various business processes. • Where deficiencies were identified, tested compensating controls or performed alternative procedures.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

   Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

   In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

   When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

11. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

    - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

    - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

15. The standalone financial statements of the Company for the year ended 31 March 2023 were audited Walker Chandiok & Co LLP, who have expressed an unmodified opinion on those standalone financial statements vide their audit report dated 16 May 2023, whose reports has been furnished to Kirtane & Pandit LLP and which has been relied upon by them for the purpose of their audit of the standalone financial statements.

Report on Other Legal and Regulatory Requirements

16. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
17. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. Further to our comments in Annexure I, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;

    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 18(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

    c) The standalone financial statements dealt with by this report are in agreement with the books of account;

    d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;

    e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;

    f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 18(b) above on reporting under section 143(3)(b) of the Act and paragraph 18(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

    g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2024 and the operating effectiveness of such controls, refer to our separate report in Annexure II wherein we have expressed an unmodified opinion; and

    h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. the Company, as detailed in note 32 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2024;

        ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;

        iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;

iv. a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 54 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 55 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Company has not declared or paid any dividend during the year ended 31 March 2024.

vi. As stated in note 57 to the accompanying standalone financial statements and based on our examination which included test checks, the Company, in respect of financial year commencing 1 April 2023, has used an accounting software for maintaining its books of account which has a feature of audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, the audit trail feature was not fully enabled for accounting software to log any direct data changes at database level. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software where such feature is enabled.

Annexure I referred to in paragraph 17 of the Independent Auditor's Report of even date to the members of Aadhar Housing Finance Limited on the standalone financial statements for the year ended 31 March 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The property, plant and equipment and relevant details of right-of-use assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification programme adopted by the Company, is reasonable having regard to the size of the Company and the nature of its assets.

(c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in Note 10 to the standalone financial statements, are held in the name of the Company, except for the following properties:

Description of property	Gross carrying value (₹ Lakhs)	Held in name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in name of company
Land: Plot no.11, Mangala Nagar alias Sri Arunachala Nagar situated in No. 68, Athur Village, Chengalpet Taluk, Kanchipuram District, Tamil Nadu	20	DHFL Vysya Housing Finance Limited	No	Since 20 November 2017	The title deeds are in the name of DHFL Vysya Housing Finance Limited, currently known as Aadhar Housing Finance Limited. The Company was merged under Section 230 to 232 of the Companies Act, 2013.
Land: Plot no 14, Mangala Nagar alias Sri Arunachala Nagar situated in No. 68, Athur Village, Chengalpet Taluk, Kanchipuram District, Tamil Nadu	7	Erstwhile Aadhar Housing Finance Limited	No	Since 20 November 2017	The title deeds are in the name of erstwhile Aadhar Housing Finance Limited that was merged with the Company under Section 230 to 232 of the Companies Act 2013.
Building: Unit No. 5, Row 07, 2013. Block B, Garden City, Coimbatore	13	Erstwhile Aadhar Housing Finance Limited	No	Since 20 November 2017	

(d) The Company has not revalued its property, plant and equipment including right-of-use assets or intangible assets during the year.

(e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.

(ii) (a) The Company does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) As disclosed in Note 48 to the standalone financial statements, the Company has been sanctioned a working capital limit in excess of ₹ 5 crores, by bank on the basis of security of current assets during the year. The quarterly returns/statements, in respect of the working capital limits have been filed by the Company with such banks and/or financial institutions and such returns/statements are in agreement with the books of account of the Company for the respective periods, which were subject to audit/review.

(iii) (a) The Company is a Housing Finance Company and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(a) of the Order is not applicable to the Company.

(b) In our opinion, and according to the information and explanations given to us, the investments made, guarantees provided, security given and terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are, prima facie, not prejudicial to the interest of the Company.

(c) The Company is a Housing Finance Company ('HFC'), registered under provisions of the National Housing Bank Act, 1987 and rules made thereunder and is regulated by various regulations, circulars and norms issued by the Reserve Bank of India including Master Circular – Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances. In respect of loans and advances in the nature of loans granted by the Company, we report that the schedule of repayment of principal and payment of interest has been stipulated and the repayments/ receipts of principal and interest are regular except for instances as below:

Particulars – Days Past Due	Total amount (₹ in lakhs)	No. of cases
1-29 days	35,962	6,011
30-59 days	35,571	5,394
60-89 days	10,634	1,434
90 days or more	18,690	3,168
Total	**100,857**	**16,007**

Having regard to the nature of business of the Company and volume of the transactions, it is impractical to furnish the item-wise listing for the above-mentioned cases of delay in repayment of principal and interest.

(d) The total amount which is overdue for more than 90 days as at 31 March 2024 in respect of loans or advances in the nature of loans granted to such companies, firms, LLPs or other parties is as follows:

Particulars	Amount (₹ in lakhs)	No. of Cases	Remarks, if any
Principal	18,690	3,168	N.A
Total	**18,690**	**3,168**	

Reasonable steps have been taken by the Company for recovery of such principal amounts and interest.

(e) The Company is a Housing Finance Company and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(e) of the Order is not applicable to the Company.

(f) The Company has not granted any loan or advance in the nature of loan, which is repayable on demand or without specifying any terms or period of repayment.

(iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans and investments. Further, the Company has not entered into any transaction covered under section 185 and 186 of the Act in respect of guarantees and security.

(v) The provisions of the sections 73 to 76 and any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended), are not applicable to the Company being a housing finance company registered with the National Housing Bank ('the NHB'). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/ services / business activities. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

(vii) (a) In our opinion, and according to the information and explanations given to us, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities by the Company, though there have been slight delays in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Gross Amount (₹ in lakhs)	Amount paid under Protest (₹ in lakhs)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Income Tax Act, 1961	Income Tax	12.29	4.46	AY 17-18	Commissioner of Income Tax (Appeals)	
Income Tax Act, 1961	Income Tax	126.25	42.91	AY 14-15	Commissioner of Income Tax (Appeals)	
Income Tax Act, 1961	Income Tax	82.10	-	FY 20-21	Commissioner of Income Tax (Appeals)	
Income Tax Act, 1961	Income Tax	701.61	-	AY 18-19	Commissioner of Income Tax (Appeals)	

Name of the statute	Nature of dues	Gross Amount (₹ in lakhs)	Amount paid under Protest (₹ in lakhs)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
GST Act, 2017	GST (Gujarat)	145.86	5.52	FY 19-20	First Appellate Tribunal	
GST Act, 2017	GST(Tamil Nadu)	2.59	0.12	FY 17-18	First Appellate Tribunal	
Finance Act, 1994	Service Tax	16.36	1.23	Oct 2016 to June 2017	Commissioner of Central Excise (Appeals)	

(viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.

(ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained, though idle/surplus funds which were not required for immediate utilization have been invested in readily realizable liquid investments.

(d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.

(f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiary.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company has been noticed or reported during the period covered by our audit.

(b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.

(c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.

(xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system which is commensurate with the size and nature of its business as required under the provisions of section 138 of the Act.

(b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is Housing Finance Company having a valid Certificate of Registration under Section 29A of the NHB Act, 1987 and is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 in terms of exemption granted under Master Direction - Exemptions from the provisions of RBI Act, 1934 dated 25 August 2016 (as amended). Accordingly, reporting under clause 3(xvi)(a) and (b) of the order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(c) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.

(xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

(xx) (a) According to the information and explanations given to us, there are no unspent amounts towards Corporate Social Responsibility pertaining to other than ongoing projects as at end of the current financial year. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has transferred the remaining unspent amounts towards Corporate Social Responsibility (CSR) under sub-section (5) of section 135 of the Act, in respect of ongoing project, within a period of 30 days from the end of financial year to a special account in compliance with the provision of sub-section (6) of section 135 of the Act.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure II to the Independent Auditor's Report of even date to the members of Aadhar Housing Finance Limited on the standalone financial statements for the year ended 31st March 2024

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of **Aadhar Housing Finance Limited** ('the Company') as at and for the year ended **31 March 2024**, we have audited the internal financial controls with reference to the standalone financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March 2024, based on the criteria for internal financial control with reference to the standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

1. Corporate information

Aadhar Housing Finance Limited (formerly known as DHFL Vysya Housing Finance Limited) (the "Company") was incorporated in India in the name of Vysya Bank Housing Finance Limited ("VBHFL") on 26 November, 1990. VBHFL was taken over by Dewan Housing Finance Corporation Limited in 2003 and renamed as DHFL Vysya Housing Finance Ltd ("DVHFL"). The erstwhile Aadhar Housing Finance Ltd which was established in 2010 and commenced operation in February,2011 was merged into DVHFL on 20 November 2017 and renamed as Aadhar Housing Finance Limited on 4 December 2017 with permission of National Housing Bank ("NHB") and Registrar of Companies ("ROC"). The Company is carrying business of providing loans to customers including individuals, companies, corporations, societies or association of persons for purchase / construction / repair and renovation of residential property, loans against property and provide other property related services. The Company is registered with National Housing Bank under section 29A of the National Housing Bank Act, 1987. The Company is a subsidiary of BCP Topco VII Pte. Ltd. ("Holding Company").

During the financial year 2019-20, the Wadhawan Global Capital Ltd. and Dewan Housing Finance Corporation Limited, along with promoter shareholders and International Finance Corporation (collectively "sellers") transferred their entire shareholding to BCP Topco VII Pte. Ltd., which is held through intermediary companies by private equity funds managed by wholly owned subsidiaries of The Blackstone Group L.P. (collectively "Blackstone").

The Company is a Public Limited Company and has listed Equity shares on May 15, 2024 on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). Company's Non-Convertible Debentures (NCDs) are listed on the Bombay Stock Exchange (BSE).

The financials were authorized for issue by the Company's Board of Directors on May 29, 2024.

2. Material accounting policy information

2.1 Basis of preparation and presentation

The Standalone Financial Statements of the Company comprises the Standalone Balance Sheet as at March 31, 2024, and the Standalone statement of profit and loss (including Other Comprehensive Income), the Standalone Statement of Cash Flows and the Standalone Statement of Changes in Equity for the year ended March 31, 2024 and a summary of material accounting policy information and other explanatory information (together referred to as the "Standalone Financial Statements").

The Standalone Financial Statements have been prepared in accordance with the recognition and measurement principle of Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 (the "Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India, requirements prescribed under the Schedule III - Division III of the Act, as amended, the circulars, the guidelines and the master directions issued by the Reserve Bank of India (the "RBI") and National Housing Bank (the "NHB") from time to time to the extent applicable.

2.2 Going concern

These financial statements have been prepared on a going concern basis.

2.3 Historical cost convention

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. The measurement and/ or disclosure in these financial statements has been accordingly determined except for share based payment transactions, leasing transactions and certain other transactions that are required to be valued in accordance with Ind AS 102, Ind AS 116 and Ind AS 36, respectively.

2.4 Presentation of financial statements

Amounts in the financial statements are presented in Indian Rupees in Lakh. Per share data is presented in Indian Rupee.

2.5 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation.

a. Interest income

The main source of revenue for the Company is Income from Housing and Other property loans. Repayment of housing and property loan is by way of Equated Monthly Instalments (EMIs) comprising of principal and interest. EMIs generally commence once the loan is disbursed. Pending commencement of EMIs, pre-EMI interest is payable every month on the loan that has been disbursed. Interest is calculated either on annual rest or on monthly rest basis in terms of the financing scheme opted by the borrower.

Interest income on housing and property loans and other financial instruments carried at amortised cost is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ("EIR") applicable.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

The EIR considers all fees, charges, transaction costs, and other premiums or discounts that are incremental and directly attributable to the specific financial instrument at the time of its origination. The financial assets that are classified at fair value through statement of profit and loss ("FVTPL"), transaction costs are recognised in statement of profit and loss at initial recognition.

The interest income on non-credit impaired financial assets is calculated by applying the EIR to the gross carrying amount (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). Interest income on credit-impaired financial assets is calculated on net carrying value (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)).

b. Fee and commission income:

Fee and commission, other than the fee that forms an integral part of EIR, are accounted on accrual basis.

c. Dividend income

Dividend income is recognised when the Company's right to receive dividend is established by the reporting date.

d. Investment income

The gains/losses on sale of investments are recognised in the statement of profit and loss on trade date. Gain or loss on sale of investments is determined on the basis of weighted average cost.

e. Other operating revenue:

Prepayment charges, delayed payment interest and other such incomes where recovery is uncertain are recognised on receipt basis.

2.6 Property, plant and equipment and Intangible Assets

Property, plant and equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at cost less accumulated depreciation/ amortization and impairment losses, if any. The cost of PPE is its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the PPE ready for its intended use, other incidental expenses and interest on borrowing attributable to acquisition of qualifying PPE upto the date the asset is ready for its intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

PPEs not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress".

Depreciation is recognised using straight line method so as to write off the cost of the assets (other than freehold land which is not depreciated) less their residual values over their useful lives specified in Schedule II to the Act, or in case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is accounted on prospective basis.

Estimated useful life considered by the Company are:

Asset	Estimated Useful Life
Office equipment & computer	5 – 10 Years
Furniture and fixtures	10 Years
Vehicles	8 Years
Leasehold improvements	Lease Period
Buildings	60 Years

Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on straight line basis over the estimated useful life of 3 years. The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

Amortisation on impaired assets is provided by adjusting the amortisation charge in the remaining periods so as to allocate the asset's revised carrying amount over its remaining useful life.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

Impairment of assets

As at the end of each financial year, the Company reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE and intangible assets are tested for impairment so as to determine the impairment loss, if any.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset is estimated to be less than its carrying amount, such deficit is recognised immediately in the statement of profit and loss as impairment loss and the carrying amount of the asset is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss was recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the statement of profit and loss.

2.7 Employee benefits

i. Defined contribution plan

The contribution to provident fund, pension fund, National Pension Scheme and employee state insurance scheme are considered as defined contribution plans and are charged as an expense in the statement of profit and loss based on the amount of contribution required to be made as and when services are rendered by the employees.

ii. Defined benefits plan

The Company's gratuity liability under the Payment of Gratuity Act, 1972 is determined on the basis of actuarial valuation made at the end of each year using the projected unit credit method.

The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed periodically by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognition of the asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in statement of profit and loss.

iii. Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

(a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

(b) in case of non-accumulating compensated absences, when the absences occur.

iv. Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled.

v. Share-based payment arrangements

The share appreciation rights / stock options granted to employees pursuant to the Company's Stock appreciation rights scheme / stock options policy are measured at the fair value of the rights at

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

the grant date. The fair value of the rights / options is treated as discount and accounted as employee compensation cost over the vesting period on a straight line basis. The amount recognised as expense in each year is based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognised as expense in respect of such grant is transferred to the general reserve within other equity.

2.8 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate.

The right-of-use assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability.

The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

2.9 Financial instruments

Recognition of financial instruments

Financial instruments comprise of financial assets and financial liabilities. Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument. Financial assets primarily comprise of loans and advances, deposits, trade receivables and cash and cash equivalents. Financial liabilities primarily comprise of deposits, borrowings (other than debt securities), debt securities, subordinate liabilities and trade payables.

Initial measurement of financial instruments

Recognised financial assets and financial liabilities are initially measured at fair value except trade receivables which is recorded at transaction price. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the statement of profit and loss.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

- if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in the statement of profit and loss on initial recognition (i.e. day 1 profit or loss);
- in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. day 1 profit or loss will be deferred by including it in the initial carrying amount of the asset or liability).

After initial recognition, the deferred gain or loss will be released to profit or loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

Financial assets

Classification of financial assets

- debt instruments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI), are subsequently measured at amortised cost;

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

- all other debt instruments (e.g. debt instruments managed on a fair value basis, or held for sale) and equity investments are subsequently measured at FVTPL.

However, the Company may make the following irrevocable election / designation at initial recognition of a financial asset on an asset-by-asset basis:

- the Company may irrevocably elect to present subsequent changes in fair value of an equity investment that is neither held for trading nor contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 – Business Combination applies, in OCI; and
- the Company may irrevocably designate a debt instrument that meets the amortised cost or FVTOCI criteria as measured at FVTPL if doing so eliminates or significantly reduces an accounting mismatch (referred to as the fair value option).

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee

Investment in equity instruments at FVOCI

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI.

The Company has not elected to classify any equity investment at FVOCI.

Debt instruments at amortised cost or at FVTOCI

The Company assesses the classification and measurement of a financial asset based on the contractual cash flow characteristics of the asset individually and the Company's business model for managing the asset.

For an asset to be classified and measured at amortised cost or at FVTOCI, its contractual terms should give rise to cash flows that are meeting SPPI test.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. That principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how financial assets are managed individually and together to achieve a particular business objective.

When a debt instrument measured at FVTOCI is derecognised, the cumulative gain/loss previously recognised in OCI is reclassified from equity to profit or loss. In contrast, for an equity investment designated as measured at FVTOCI, the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss but transferred within equity.

Debt instruments that are subsequently measured at amortised cost or at FVTOCI are subject to impairment.

Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in statement of profit or loss.

Subsequent measurement of financial assets

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

The Company business model objective is to hold financial assets in order to collect contractual cash flows. The contractual terms of the financial asset give

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. During the current financial year and previous financial year there was no change in the business model under which the Company holds financial assets and therefore no reclassifications were made.

Impairment

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Company measures ECL based on category of loans at a collective level. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original EIR.

Impairment losses and releases are accounted for and disclosed separately from modification losses or gains that are accounted for as an adjustment of the financial asset's gross carrying value.

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument.

Based on the above process, the Company categorises its loans into Stage 1, Stage 2 and Stage 3, as described below:

- Stage 1 - Performing assets with zero to thirty days past due (DPD). Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2 and Stage 3.
- Stage 2 - Under-performing assets having 31 to 90 DPD. Stage 2 loans also include facilities, where the credit risk has improved and the loan has been reclassified from Stage 3.
- Stage 3 - Non-performing assets with overdue more than 90 DPD

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

The financial assets for which the Company has no reasonable expectations of recovering either the entire outstanding amount, or a proportion thereof, the gross carrying amount of the financial asset is reduced. This is considered a (partial) derecognition of the financial asset.

Derecognition of financial assets

A financial asset is derecognised only when:

- The Company has transferred the rights to receive cash flows from the financial assets or
- retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial assets. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

The Company transfers loans through assignment transactions. In accordance with the Ind AS 109, on derecognition of a financial asset under assignment transactions, the difference between the carrying amount and the consideration received shall be recognised in statement of profit and loss.

Write-off

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities shall be recognised in statement of profit and loss.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

Financial liabilities and equity

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain/loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

A financial liability is

a) a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavourable to the Company or

b) a contract that will or may be settled in the Company's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or

c) a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of the Company's own equity instruments.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL. However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' in the statement of profit and loss.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

2.10 Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balance in current account and Balances with banks in deposits accounts with original maturity of less than 3 months. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.11 Borrowing costs

Interest expenses are calculated using EIR and all other borrowing costs are recognised in the statement of profit and loss when they are incurred.

2.12 Foreign currencies

a. The functional currency and presentation currency of the Company is Indian Rupee. Functional currency of the Company has been determined based on the primary economic environment in which the

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

Company operates considering the currency in which funds are generated, spent and retained.

b. Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the rates prevailing at the period-end. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the statement of profit and loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks.

2.13 Segments

Based on "Management Approach" as defined by Ind AS 108, The Chief Operating Decision Maker (CODM) evaluates the "Operating Segments". Operating segments are reported in a manner consistent with the internal reporting provided to the CODM. The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Income / costs which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under Unallocated Income / Costs.

2.14 Investments in subsidiary

Investments in subsidiary is measured at cost as per Ind AS 27 – Separate Financial Statements.

2.15 Earnings per share

Basic earnings per share has been computed by dividing net income by the weighted average number of shares outstanding during the year. Partly paid up shares are included as fully paid equivalents according to the fraction paid up. Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

2.16 Taxes on income

Income tax expense represents the sum of the tax currently payable and deferred tax. Income tax expense comprises current and deferred taxes. Income tax expense is recognised in the statement of profit and loss except when they relate to items that are recognised outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognised outside profit or loss.

Current tax

The tax currently payable is based on the estimated taxable profit for the year for the Company and is calculated using applicable tax rates and tax laws that have been enacted or substantively enacted. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilised business loss and depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed separately for each taxable entity. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

2.17 Special reserve

The Company creates statutory reserve every year out of its profits in terms of section 36(1)(viii) of the Income Tax Act, 1961 read with section 29C of the National Housing Bank Act, 1987.

2.18 Impairment reserve

As per the RBI Circular RBI/2019-20/170 DOR (NBFC). CC.PD.No.109/22.10.106/2019-20 dated 13 March, 2020, in the event of the aggregate impairment provision under Ind AS 109 is lower than that required under the Income Recognition, Asset Classification and Provisioning Norms , then the difference shall be appropriated from the Net Profit or loss after tax to a separate "Impairment Reserve".

2.19 Provisions, contingent liabilities and contingent assets

- Provisions are recognised only when an entity has a present obligation (legal or constructive) as a result of a past event; and

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- a present obligation arising from past events, when no reliable estimate is possible.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

Contingent assets:

Contingent assets are not recognised. A contingent asset is disclosed, as required by Ind AS 37, where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

2.20 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- estimated amount of contracts remaining to be executed on capital account and not provided for;
- other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

2.21 Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

2.22 Exceptional items

An item of income or expense which its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and the same is disclosed in the notes to accounts.

2.23 Statement of cash flows

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method.

Cash and cash equivalents (including bank balances) shown in the statement of cash flows exclude items which are not available for general use as on the date of Balance Sheet.

3. Critical accounting judgements and key sources of estimation uncertainties

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

Expected credit loss

When determining whether the risk of default on a financial instrument has increased significantly since initial recognition, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and credit assessment and including forward-looking information. In certain cases, the assessment based on past experience is required for future estimation of cash flows which requires significant judgment.

The inputs used and process followed by the Company in determining the increase in credit risk have been detailed in note 37.

EIR

The Company's EIR methodology, recognises interest income using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given.

This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as other fee income/expense that are integral parts of the instrument.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

Share-based payments

Estimating fair value for share-based payment transactions requires use of an appropriate valuation model. The Company measures the cost of equity-settled transactions with employees using Black-Scholes Model to determine the fair value of the options on the grant date.

Inputs into the valuation model, includes assumption such as the expected life of the share option, volatility and dividend yield.

Further details used for estimating fair value for share-based payment transactions are disclosed in note 41.

Following abbreviation to be read as :

"ESOP" - Employee Stock Option Plan

"ESAR" - Employee Stock Appreciation Rights

Business model assessment

The Company's business model objective is to hold financial assets in order to collect contractual cash flows. The contractual terms of the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates, accordingly entire Loan Portfolio is classified at amortised cost.

New and Amended Standards

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The amendments also provide guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful, entity- specific accounting policy information that users need to understand other information in the financial statement. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is not significant to the financial statements.

ii) The Company has created Debenture redemption reserve as at March 31, 2024 aggregating of ₹ 16,910 Lakh (March 31, 2023 : ₹ 16,910 Lakh) required towards its public issue of Secured Redeemable Non-Convertible Debentures.

23(a). Nature and Purpose of Reserves:

i. Capital reserve on Amalgamation - This reserve is created on account of merger of Aadhar Housing Finance Limited into DHFL Vysya Housing Finance Limited.

ii. Securities Premium - Securities premium account is used to record premium on issue of shares. The reserve is utilised in accordance with the provisions of Companies Act, 2013.

iii. Statutory Reserve - Section 29C (i) of the National Housing Act, 1987 defines that every housing finance institution which is a Company shall create a reserve fund and transfer therein a sum not less than twenty percent of its net profit every year as disclosed in the statement of profit and loss before any dividend is declared. For this purpose any special reserve created by the Company under Section 36(1)(viii) of the Income Tax Act 1961, is considered to be an eligible transfer. During the year ended March 31, 2024, the Company has transferred an amount of ₹ 14,970 Lakh [P.Y. ₹ 10,900 Lakh] to special reserve in terms of Section 36(1)(viii) of the Income Tax Act 1961 and has been considered eligible for special reserve u/s 29C of the National Housing Bank Act, 1987.

iv. Debenture Redemption reserve - This reserve is created while issuing Debentures with an objective to reduce the risk of default in repayments of debentures. The Company has created debenture redemption reserve towards its public issue of Secured Redeemable Non-convertible Debentures.

v. Employee Stock Option Outstanding - This reserve relates to stock option granted by the Company to employees under various ESOP schemes.

(F)	Tax expense recognised in other comprehensive income	(3)	(1)

31. Earnings per equity share

The following is the computation of earnings per equity share on basic and diluted earnings per equity share:

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Net profit after tax attributable to equity shareholders (₹ In Lakh)	74,851	54,458
Weighted average number of equity shares outstanding during the year (Nos)	39,47,54,970	39,47,54,970
Add: Effect of potential issue of shares / stock rights outstanding during the year*	1,38,45,940	1,21,59,478
Weighted average number of equity shares outstanding during the year including potential shares outstanding (Nos)	40,86,00,910	40,69,14,448
Face value per equity share (₹)	10	10
Basic earnings per equity share (₹)	18.96	13.80
Diluted earnings per equity share (₹)	18.32	13.38

* not considered when anti-dilutive

32. Contingent liabilities

Claims against the Company not acknowledged as debt:

(₹ in Lakh)

Particulars	As at March 31, 2024	As at March 31, 2023
Income tax matters of earlier years	300	378
Indirect tax matters of earlier years	1,267	521
Total	**1,567**	**899**

The Company is also involved in other law suits, claims, investigations and proceedings, including collection and repossession related matters, which arise in the ordinary course of business. However, there are no significant claims on such cases. Future cash outflows in respect of the above, if any, is determinable only on receipt of judgement / decisions pending with the relevant authorities.

Part of the aforementioned contingent liabilities towards income tax and indirect tax have been paid under protest.

33. Commitments

i. Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for as at March 31, 2024 ₹ 394 Lakh (March 31, 2023 ₹ 482 Lakh).

ii. Undisbursed amount of loans sanctioned and partly disbursed as at March 31, 2024 is ₹ 94,882 Lakh (March 31, 2023 ₹ 90,071 Lakh).

iii. Undisbursed amount of loans sanctioned but not disbursed as at March 31, 2024 is ₹ 1,06,702 Lakh (March 31, 2023 ₹ 78,478 Lakh).

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

34. Lease

Following are the changes in the carrying value of right of use assets:

(₹ in Lakh)

Particulars	Building	Intangible Asset	Total
Balance as of April 1, 2023	**3,294**	**534**	**3,828**
Addition during the year	2,221	-	2,221
Deletion during the year	-	-	-
Depreciation charge for the year	(1,041)	(152)	(1,193)
Balance as of March 31, 2024	**4,474**	**382**	**4,856**
Balance as of April 1, 2022	**2,660**	**687**	**3,347**
Addition during the year	1,452	-	1,452
Deletion during the year	(2)	-	(2)
Depreciation charge for the year	(816)	(153)	(969)
Balance as of March 31, 2023	**3,294**	**534**	**3,828**

The following is the movement in lease liabilities:

Particulars	Building	Intangible Asset	Total
Balance as of April 1, 2023	**3,795**	**-**	**3,795**
Addition during the year	2,221	-	2,221
Finance cost accrued during the year	424	-	424
Deletion during the year	-	-	-
Payment made during the year	(1,331)	-	(1,331)
Balance as of March 31, 2024	**5,109**	**-**	**5,109**
Balance as of April 1, 2022	**3,053**	**-**	**3,053**
Addition during the year	1,452	-	1,452
Finance cost accrued during the year	349	-	349
Deletion during the year	(2)	-	(2)
Payment made during the year	(1,057)	-	(1,057)
Balance as of March 31, 2023	**3,795**	**-**	**3,795**

The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2024 on an undiscounted basis:

Particulars	₹ in Lakh
Less than one year	1,474
One to five years	3,645
More than five years	1,589
Total	**6,708**

The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2023 on an undiscounted basis:

Particulars	₹ in Lakh
Less than one year	1,132
One to five years	3,093
More than five years	633
Total	**4,858**

Rental expense recorded for short-term leases was ₹ 885 Lakh for the year ended March 31, 2024 (March 31, 2023 ₹ 661 Lakh).

The aggregate depreciation on Right to use assets has been included under depreciation and amortisation expense in the Statement of Profit and Loss.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

35. Financial instruments

(i) Fair value hierarchy

The Company uses the following hierarchy to determine the fair values of its financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There were no transfers between levels 1, 2 and 3 during the year.

The Company recognises transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation process

The management of the Company performs the valuations of financial assets and liabilities required for financial reporting purposes.

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

The fair values for loans are calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Valuation processes and Technique

Type of Instrument	Reference Price
Investment in Mutual Funds	NAV as on the reporting date.
Investment in Equity Shares	Quoted price on exchange as on the reporting date.

As at March 31, 2024

(₹ in Lakh)

Note: The maturity analysis is prepared considering the prepayments on housing and other loans in line with historical trend. Classification of assets and liabilities under the different maturity buckets is based on the same estimates and assumptions as used by the Company for compiling the return submitted to the RBI/NHB, which has been relied upon by the auditors.

37. Financial risk management

a. Liquidity Risk

Liquidity risk is the current and prospective risk arising out of an inability to meet financial commitments as they fall due, through available cash flows or through the sale of assets at fair market value. It includes both, the risk of unexpected increases in the cost of funding an asset portfolio at appropriate maturities and the risk of being unable to liquidate a position in a timely manner at a reasonable price.

The Company manages liquidity risk by maintaining sufficient cash and marketable securities and by having access to funding through an adequate amount of committed credit lines. Given the need to fund diverse products, the Company maintains flexibility in funding by maintaining availability under committed credit lines to meet obligations when due. Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and financial liabilities including debt financing plans and maintenance of Balance Sheet liquidity ratios are considered while reviewing the liquidity position.

Liquidity risk is managed in accordance with our Asset Liability Management Policy. This policy is framed as per the current regulatory guidelines and is approved by the Board of Directors. The Asset Liability Management Policy is reviewed periodically to incorporate changes as required by regulatory stipulation or to realign the policy with changes in the economic landscape. The Asset Liability Committee (ALCO) of the Company formulates and reviews strategies and provides guidance for management of liquidity risk within the framework laid out in the Asset Liability Management Policy.

Classification of assets and liabilities under the different maturity buckets is based on the same estimates and assumptions as used by the company for compiling the return submitted to the NHB, which has been relied upon by the auditors.

b. Interest Risk

The core business of the company is providing housing and other mortgage loans. The company borrows through various financial instruments to finance its core lending activity. These activities expose the company to interest rate risk.

Interest rate risk is measured through earnings at risk from an earnings perspective and through duration of equity from an economic value perspective. Further, exposure to fluctuations in interest rates is also measured by way of gap analysis, providing a static view of the maturity and re-pricing characteristic of Balance sheet positions. An interest rate sensitivity gap report is prepared by classifying all rate sensitive assets and rate sensitive liabilities into various time period categories according to contracted/behavioural maturities or anticipated re-pricing date. The difference in the amount of rate sensitive assets and rate sensitive liabilities maturing or being re-priced in any time period category, gives an indication of the extent of exposure to the risk of potential changes in the margins on new or re-priced assets and liabilities. The interest rate risk is monitored through above measures on a quarterly basis.

Interest Rate Sensitivity

The following table demonstrates the net sensitivity to a reasonably possible change in interest rate (all other variables being constant) of the Company's statement of profit and loss (before taxes) and equity

(₹ in Lakh)

Particulars	Basis Points	For the year ended March 31, 2024	For the year ended March 31, 2023
Increase by basis points	+50	1,449	1,523
Decrease by basis points	-50	(1,449)	(1,523)

c. Price risk

The Company's exposure to price risk is not material and it is primarily on account of investment of temporary treasury surplus in the highly liquid debt funds for very short durations. The Company has a board approved policy of investing its surplus funds in highly rated debt mutual funds and other instruments having insignificant price risk, not being equity funds/ risk bearing instruments.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

d. Credit risk

Credit risk is the risk of loss that may occur from the failure of any party to abide by the terms and conditions of any contract, principally the failure to make required payments of amounts due to the company. In its lending operations, the Company is principally exposed to credit risk.

The credit risk is governed by the Credit Policy approved by the Board of Directors. The Credit Policy outlines the type of products that can be offered, customer categories, the targeted customer profile and the credit approval process and limits.

The Company measures, monitors and manages credit risk at an individual borrower level and at the group exposure level for corporate borrowers. The credit risk for retail borrowers is being managed at portfolio level for both Home loans and other property loans. The Company has a structured and standardized credit approval process, which includes a well-established procedure of comprehensive credit appraisal. The Risk Management Policy addresses the recognition, measurement, monitoring and reporting of the Credit risk.

Credit Risk Assessment Methodology

Company's customers for retail loans are primarily lower and middle income, salaried and self-employed individuals. The loans are secured by the mortgage of the borrowers' property.

The Company's credit officers evaluate credit proposals on the basis of operating policies approved by the Board of Directors. The criteria typically include factors such as the borrower's income, the loan-to-value ratio and demographic parameters. Any deviations need to be approved at the designated levels.

External agencies such as field investigation agencies facilitate a comprehensive due diligence process including visits to offices and homes in the case of loans made to retail borrowers.

Company monitor's borrower account behaviour as well as static data regularly to monitor the portfolio performance of each product segment regularly, and use these as inputs in revising its product programs, target market definitions and credit assessment criteria to meet the twin objectives of combining volume growth and maintenance of asset quality.

The Company's current credit risk grading framework comprises the following categories:

Category	Description	Basis for recognising expected credit losses (ECL)
Stage 1	High quality assets	12-month ECL
Stage 2	Assets for which there is significant increase in credit risk	Lifetime ECL
Stage 3	Credit-impaired assets	Lifetime ECL – credit-impaired

The key elements in calculation of ECL are as follows:

PD - The Probability of Default is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognised and is still in the portfolio. The PD has been determined based on seasoned historical portfolio data using the survival analysis methodology.

EAD - The Exposure at Default includes repayments scheduled by contract or otherwise, expected drawdowns on committed facilities, accrued interest from missed payments and loan commitments.

LGD - The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD. The LGD is determined based on seasoned historical portfolio data.

Based on management overlay and one-time restructuring provision amount of ₹ 6,993 Lakh has been carried as of March 31, 2024 (March 31, 2023: ₹ 7,631 Lakh).

The customers who have availed the benefit of one-time restructuring have been disclosed in stage 2 assets.

An analysis of changes in the gross carrying amount (excluding adjustment to carrying value on account of application of effective interest rate) and the corresponding ECL allowances in relation to lending is, as follows:

a) Housing and Other Property Loan

The table below shows the credit quality and the exposure to credit risk based on the year-end stage classification. The amounts presented are gross of impairment allowances.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

As at March 31, 2024

(₹ in Lakh)

Particulars	Asset category	Gross Carrying Amount	Expected Credit Loss (refer note 1 and 2 below)	Net Carrying Amount
Stage 1 – High quality assets	Loan	16,30,537	5,384	16,25,153
Stage 2 – Assets for which there is significant increase in credit risk	Loan	61,888	7,724	54,164
Stage 3 - Credit-impaired assets	Loan	18,690	7,713	10,977

1. Above includes Expected Credit Loss provision on Loan commitment amount to ₹ 195 Lakh (Stage1- included in ₹ 5,384 Lakh).
2. Above includes Expected Credit Loss provision on account of additional management overlay and one-time restructuring amounting to ₹ 6,993 Lakh.
3. Stage 3 assets includes loan assets more than 90 DPD and less than equal to 90 DPD, the breakup is as under:-

(₹ in Lakh)

Particulars	Asset category	Gross Carrying Amount	Expected Credit Loss	Net Carrying Amount
Stage 3a – Assets Less than equal to 90 DPD	Loan	167	51	116
Stage 3b – Assets more than 90 DPD (refer note)	Loan	18,523	7,662	10,861
Total Stage 3 - Credit-impaired assets	**Loan**	**18,690**	**7,713**	**10,977**

As at March 31, 2023

(₹ in Lakh)

Particulars	Asset category	Gross Carrying Amount	Expected Credit Loss (refer note 1 and 2 below)	Net Carrying Amount
Stage 1 – High quality assets	Loan	13,29,439	5,294	13,24,145
Stage 2 – Assets for which there is significant increase in credit risk	Loan	58,057	7,748	50,309
Stage 3 - Credit-impaired assets	Loan	16,259	5,568	10,691

1. Above includes Expected Credit Loss provision on Loan commitment amount to ₹ 214 Lakh (Stage1- included in ₹ 5,294 Lakh).
2. Above includes Expected Credit Loss provision on account of additional management overlay and one-time restructuring amounting to ₹ 7,631 Lakh.
3. Stage 3 assets includes loan assets more than 90 DPD and less than equal to 90 DPD, the breakup is as under :-

(₹ in Lakh)

Particulars	Asset category	Gross Carrying Amount	Expected Credit Loss	Net Carrying Amount
Stage 3a – Assets Less than equal to 90 DPD	Loan	589	142	447
Stage 3b – Assets more than 90 DPD (refer note)	Loan	15,670	5,426	10,244
Total Stage 3 - Credit-impaired assets	**Loan**	**16,259**	**5,568**	**10,691**

GNPA on Retail Own Book**	18,690	16,259
GNPA on Retail Own Book (%)**	1.10%	1.17%

Note: The amount mentioned above of 'Own Book' excludes EIR, Interest accrued.

*Includes loan assets of ₹ 191 Lakhs (0.01%) not more than 90 DPD which have been classified as NPA as per the RBI circular dated 12th November 2021. [March 31, 2023: ₹ 705 Lakhs (0.04%)].

** Includes loan assets of ₹ 167 Lakhs (0.01%) not more than 90 DPD which have been classified as NPA as per the RBI circular dated 12th November 2021. [March 31, 2023: ₹ 589 Lakhs (0.04%)]

38. Capital Management

The Company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. The Company monitors capital on the basis of the following gearing ratio: Net debt (total borrowings net of cash and cash equivalents and Liquid investments) divided by Total 'equity' (as shown in the balance sheet) and Capital adequacy ratio.

(₹ in Lakh)

Particulars	As at March 31, 2024	As at March 31, 2023
Total Borrowings (₹ in Lakh)	13,95,962	12,15,345
Total Net Borrowings (₹ in Lakh)	12,68,824	10,23,730
Total Equity (₹ in Lakh)	4,44,601	3,69,557
Gross Debt Equity Ratio	3.14	3.29
Net Debt Equity Ratio	2.85	2.77

Total net borrowing = Total borrowings – Cash and bank balances – Investment in Liquid Mutual fund – Receivable from Mutual Fund

The Company is required to maintain the CRAR of 15% as required by RBI and NHB. Further company is required to maintain borrowing not exceeding 12 times of Net Owned Fund.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

Below are the details of CRAR and other ratios maintained by the Company.

Particulars	As at March 31, 2024	As at March 31, 2023
Risk weighted Assets (₹ in Lakh)	10,77,936	8,33,913
Net owned funds (Tier I Capital) (₹ in Lakh)	4,06,760	3,47,417
Tier II Capital (₹ in Lakh)	7,784	8,894
CRAR	38.46%	42.73%
Variance in CRAR	(4.27%)	(2.68%)
CRAR-Tier I Capital	37.74%	41.66%
Variance in CRAR-Tier I Capital	(3.92%)	(2.54%)
CRAR- Tier II Capital	0.72%	1.07%
Variance in CRAR-Tier II Capital	(0.35%)	(0.14%)
Amount of subordinated debt raised as Tier-II Capital (₹ in Lakh)	2,400	3,600
Amount raised by issue of perpetual debt instruments	Nil	Nil
Liquidity Coverage Ratio as on reporting date*	122.82%	166.42%

1. CRAR (Capital Risk Adjusted Ratio) = [Net owned fund and Tier II Capital / Risk Weighted Assets]
2. CRAR (Capital Risk Adjusted Ratio) -Tier I Capital = [Net owned fund / Risk Weighted Assets]
3. CRAR (Capital Risk Adjusted Ratio) -Tier II Capital = [Tier II Capital / Risk Weighted Assets)
4. Liquidity Coverage Ratio = [Stock of High Quality Liquid Assets / Total net cash outflow required in next 30 calendar days]

Liquidity Coverage Ratio requirement applicable from December 1, 2021 to the Company as per Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021 circular no RBI/2020-21/73 DOR.FIN.HFC.CC.No.120/03.10.136/2020-21 dated February 17, 2021.

39. Segment reporting

The Company operates only in one Operating Segment i.e Housing Finance business - Financial Services and all other activities are incidental to the main business activity, hence have only one reportable Segment as per Indian Accounting Standard 108 "Operating Segments". The reportable business segments are in line with the segment wise information which is being presented to the CODM. The Company has identified Managing Director and CEO as CODM.

The Company has its operations within India and all revenue is generated within India.

40. Employee benefits

40.1 Defined contribution plan

The Company makes contributions to provident fund for qualifying employees to Regional Provident Fund Commissioner under defined contribution plan under the Provident Fund Act.

Amount recognised as an expense and included under the head "Contribution to Provident and Other Funds" of Statement of Profit and Loss are as follows:

(₹ in Lakh)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Contribution to provident fund	599	464
Contribution to pension fund	535	455
Contribution to new pension scheme	54	47
Contribution to ESIC	1	4

* Amount less than 50,000/-

40.2 Defined obligation benefit

The Company provides gratuity to its employees which are defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The gratuity plan typically exposes the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

Investment risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to market yield at the end of reporting period on high quality corporate bonds when there is a deep market for such bonds; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk:

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity risk:

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk:

The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The following table sets out the funded status of the Gratuity and the amount recognised in the Financial Statements:

i. Changes in Defined Benefit Obligation

(₹ in Lakh)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Liability at the beginning of the year	1,484	1,224
Current service cost	391	304
Interest cost	103	82
Plan Amendment Cost	-	-
Actuarial (gain) / loss – experience	(17)	5
Actuarial (gain) / loss - demographic assumptions		-
Actuarial (gain) / loss - financial assumptions	34	(28)
Benefits paid	(111)	(103)
Liability at the end of the year	1,884	1,484

ii. Changes in Fair Value of Plan Assets

(₹ in Lakh)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Plan Assets at the beginning of the year	718	695
Expected return on plan assets	52	49
Actuarial Gain/(Loss)	4	(26)
Employer Contribution	-	-
Plan Assets at the end of the year	774	718

iii. Reconciliation of Fair Value of Assets and Obligations

(₹ in Lakh)

Particulars	As at March 31, 2024	As at March 31, 2023
Fair value of Plan Assets	774	718
Present Value of Obligation	1,884	1,484
Amount Recognised in Balance Sheet	(1,110)	(766)

Summary of material accounting policy information and other explanatory information to the standalone financial statements as at and for the year ended March 31, 2024

iv. Expenses recognised in Statement of Profit and Loss

(₹ in Lakh)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Current Service Cost	391	304
Net interest on net defined benefit liability / (asset)	51	33
Plan Amendment cost / Direct Payment	-	-
Expenses recognised in the statement of profit and loss under employee benefits expenses	442	337

v. Expenses recognised in Statement of Other Comprehensive Income

(₹ in Lakh)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Actuarial (gain) / loss arising during year	13	4
(Income) / Expenses recognised in the other comprehensive income	13	4

vi. Expected benefit payments

(₹ in Lakh)

Particulars	As at March 31, 2024
March 31, 2025	137
March 31, 2026	137
March 31, 2027	168
March 31, 2028	228
March 31, 2029	303
March 31, 2030 to March 31, 2034	2,176

vii. Expected Employer Contributions in next 12 months is ₹ 1,110 Lakhs.

viii. Weighted average duration of defined benefit obligation is 9 years.

ix. Actuarial Assumptions

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Mortality Table	Indian Assured Lives Mortality (2006-08) Ult.	Indian Assured Lives Mortality (2006-08) Ult.
Discount Rate	7.00%	7.20%
Salary Escalation Rate	9.50%	9.50%

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factor including supply and demand in the employment market. The above information is certified by actuary and this has been relied upon by the auditors.

The expected rate of return on plan asset is determined considering several applicable factors, mainly the composition of plan asset held, assessed risks, historical result of return on plan assets and the Company's policy for plan assets management.

Effect of change in assumptions As at March 31, 2024

(₹ in Lakh)

Particulars	Plan Liabilities
Discount Rate (increase by 0.5%)	(85)
Discount Rate (decrease by 0.5%)	91
Salary Escalation Rate (increase by 0.5%)	79
Salary Escalation Rate (decrease by 0.5%)	(75)

x. Amount recognised in current year and previous years

*ESOP Plan 2020 – March 2020 disclosure doesn't include the impact of bonus issue of equity shares of the Company in the ratio of nine shares of face value of ₹ 10 each for each existing equity share of the face value of ₹ 10 each on 16th January 2021 in extraordinary general meeting (EGM).

Computation of fair value of options

The Black-Scholes Model has been used for computing the weighted average fair value considering the following:

Particulars	ESOP Plan 2020 (December 31, 2020)	ESOP Plan 2020 (January 16, 2021)	ESOP Plan 2020 (September 22, 2021)
Fair value of the option (₹)	₹ 96 to ₹ 333	₹ 28.15 to ₹ 51.92	₹ 28.8 to ₹ 51.6
Fair value of share on the date of grant (₹)	908.05	110.00	111.10
Exercise Price(₹)	908.05	90.805	90.805
Expected Life	3 years to 9 years	3 years to 9 years	3 years to 9 years
Expected Volatility (%)	9.7% to 12.7%	15.6% to 22.1%	15.2% to 22.0%
Life of the Option (years)	3 years to 9 years	3 years to 9 years	3 years to 9 years
Risk Free rate of return (%)	5.2% to 6.7%	4.0% to 6.6%	3.9% to 6.3%
Expected dividend rate (%)	0.8%	0.6%	0.6%

Particulars	ESOP Plan 2020 (August 09, 2023)	ESOP Plan 2020 (November 07, 2023)	ESOP Plan 2020 (January 21, 2024)
Fair value of the option (₹)	₹ 22 to ₹ 66.7	₹ 22 to ₹ 66.7	₹ 21.6 to ₹ 59.8
Fair value of share on the date of grant (₹)	147.50	147.50	147.50
Exercise Price(₹)	147.50	147.50	147.50
Expected Life	3 years to 9 years	3 years to 9 years	3 years to 9 years
Expected Volatility (%)	11.8% to 14.9%	11.8% to 14.9%	11.8% to 14.8%
Life of the Option (years)	3 years to 9 years	3 years to 9 years	3 years to 9 years
Risk Free rate of return (%)	7.1% to 7.3%	7.1% to 7.3%	7.0% to 7.1%
Expected dividend rate (%)	0.0%	0.0%	0.0%

The expected life of the share options is based on current expectations and is not necessarily indicative of exercise patterns that may actually occur. Further, the condition of specified sale of the shares held by the investor is estimated to be fulfilled on the relevant eligibility dates.
